First Grade Friends

Weekly Newsletter

Lebanon Junction Elementary School
September 11, 2017
Week 6

Work in Progress

READING: We are working on describing characters in a story.

WRITING: We will be finishing up our launching of our writing workshop and starting to discuss the six traits of writing.

SCIENCE: We are learning about how to think like a scientist - ask a question, form a hypothesis, do an experiment, and report results. We will also start looking at animal features.

SOCIAL STUDIES: We are continuing to study examples of leaders in the community.

MATH: We are working on counting on to add.

Library Days

We will keep our library books for two weeks at a time.

First Grade is on Week B library schedule and we will have library in two weeks due to the book fair.

Burchett- Tuesday
McNeil- Wednesday
Wilson- Thursday

Home Connections

MAP testing begins this week. Please encourage your child to do their best.

This year, every student will be learning about the five Success Skills: Empathy, Self-Control, Integrity, Embracing Diversity, and Grit. These skills have been identified as needed skills now and in the future. This week, we will be continuing to focus on Integrity. We will be helping our students understand what this skill is and why it is important.

Homework this week includes:

Reading for 20 minutes each night.

September Birthdays

Mrs. Burchett's:
Kaleb B 8th
Madelyn A 13th

Mrs. McNeil's:
Emery 13th
Hunter 14th
Kynzi 15th
Spencer 26th

Mrs. Wilson's:
Sunny 8th
Mrs. Wilson 9th
