Week 7

Work in Progress

READING: We are working on sequencing the events of a story.

WRITING: We will be continuing to discuss the six traits of writing.

SCIENCE: We are learning about different animal features and how those features can help solve a human problem.

MATH: We are working on solving math word problems.

Library Days

We will keep our library books for two weeks at a time.

First Grade is on Week B library schedule and we will have library in two weeks due to the book fair.

Burchett- Tuesday
McNeil- Wednesday
Wilson- Thursday

Home Connections

This year, every student will be learning about the five Success Skills: Empathy, Self-Control, Integrity, Embracing Diversity, and Grit. These skills have been identified as needed skills now and in the future. This week, we will be focusing on Embracing Diversity. We will be helping our students understand what this skill is and why it is important.

Homework this week includes:

Reading for 20 minutes each night.
