Weekly Newsletter

Lebanon Junction Elementary School
September 25, 2017
Week 8

Work in Progress

READING: We will be working on identifying text features.

WRITING: We will be continuing to discuss the six traits of writing.

SCIENCE: We will be learning about different animal features and how those features can help solve a human problem.

SOCIAL STUDIES: We will be learning about various forms of interactions between individuals and groups.

MATH: We will be working on solving math word problems.

Library Days

We will keep our library books for two weeks at a time.

First Grade is on Week B library schedule and we will have library this week.

Burchett- Tuesday
McNeil- Wednesday
Wilson- Thursday

Home Connections

This year, every student will be learning about the five Success Skills: Empathy, Self-Control, Integrity, Embracing Diversity, and Grit. These skills have been identified as needed skills now and in the future. This week, we will be focusing on Grit. We will be helping our students understand what this skill is and why it is important.

Homework this week includes:

Reading for 20 minutes each night.

September Birthdays

Mrs. Burchett's:
Kaleb 8th
Madelyn 13th

Mrs. McNeil's:
Emery 13th
Hunter 14th
Kynzi 15th
Spencer 26th

Mrs. Wilson's:
Sunny 8th
Mrs. Wilson 9th
